

KANBAN

Ideas

Something

and some notes about what we're doing
and what's important about this task

Another thing

Lorem ipsum dolor sit amet, consectetur
adipiscing elit. Nunc vitae augue tincidunt

3rd thing

Lorem ipsum dolor sit amet, consectetur
adipiscing elit. Nunc vitae augue tincidunt

Partly Done

A part

This part has been made from metal and has
the correct holes drilled in.

Almost Finished

Needs tested

This part has been fully made, but needs
tested to ensure it's ready for work

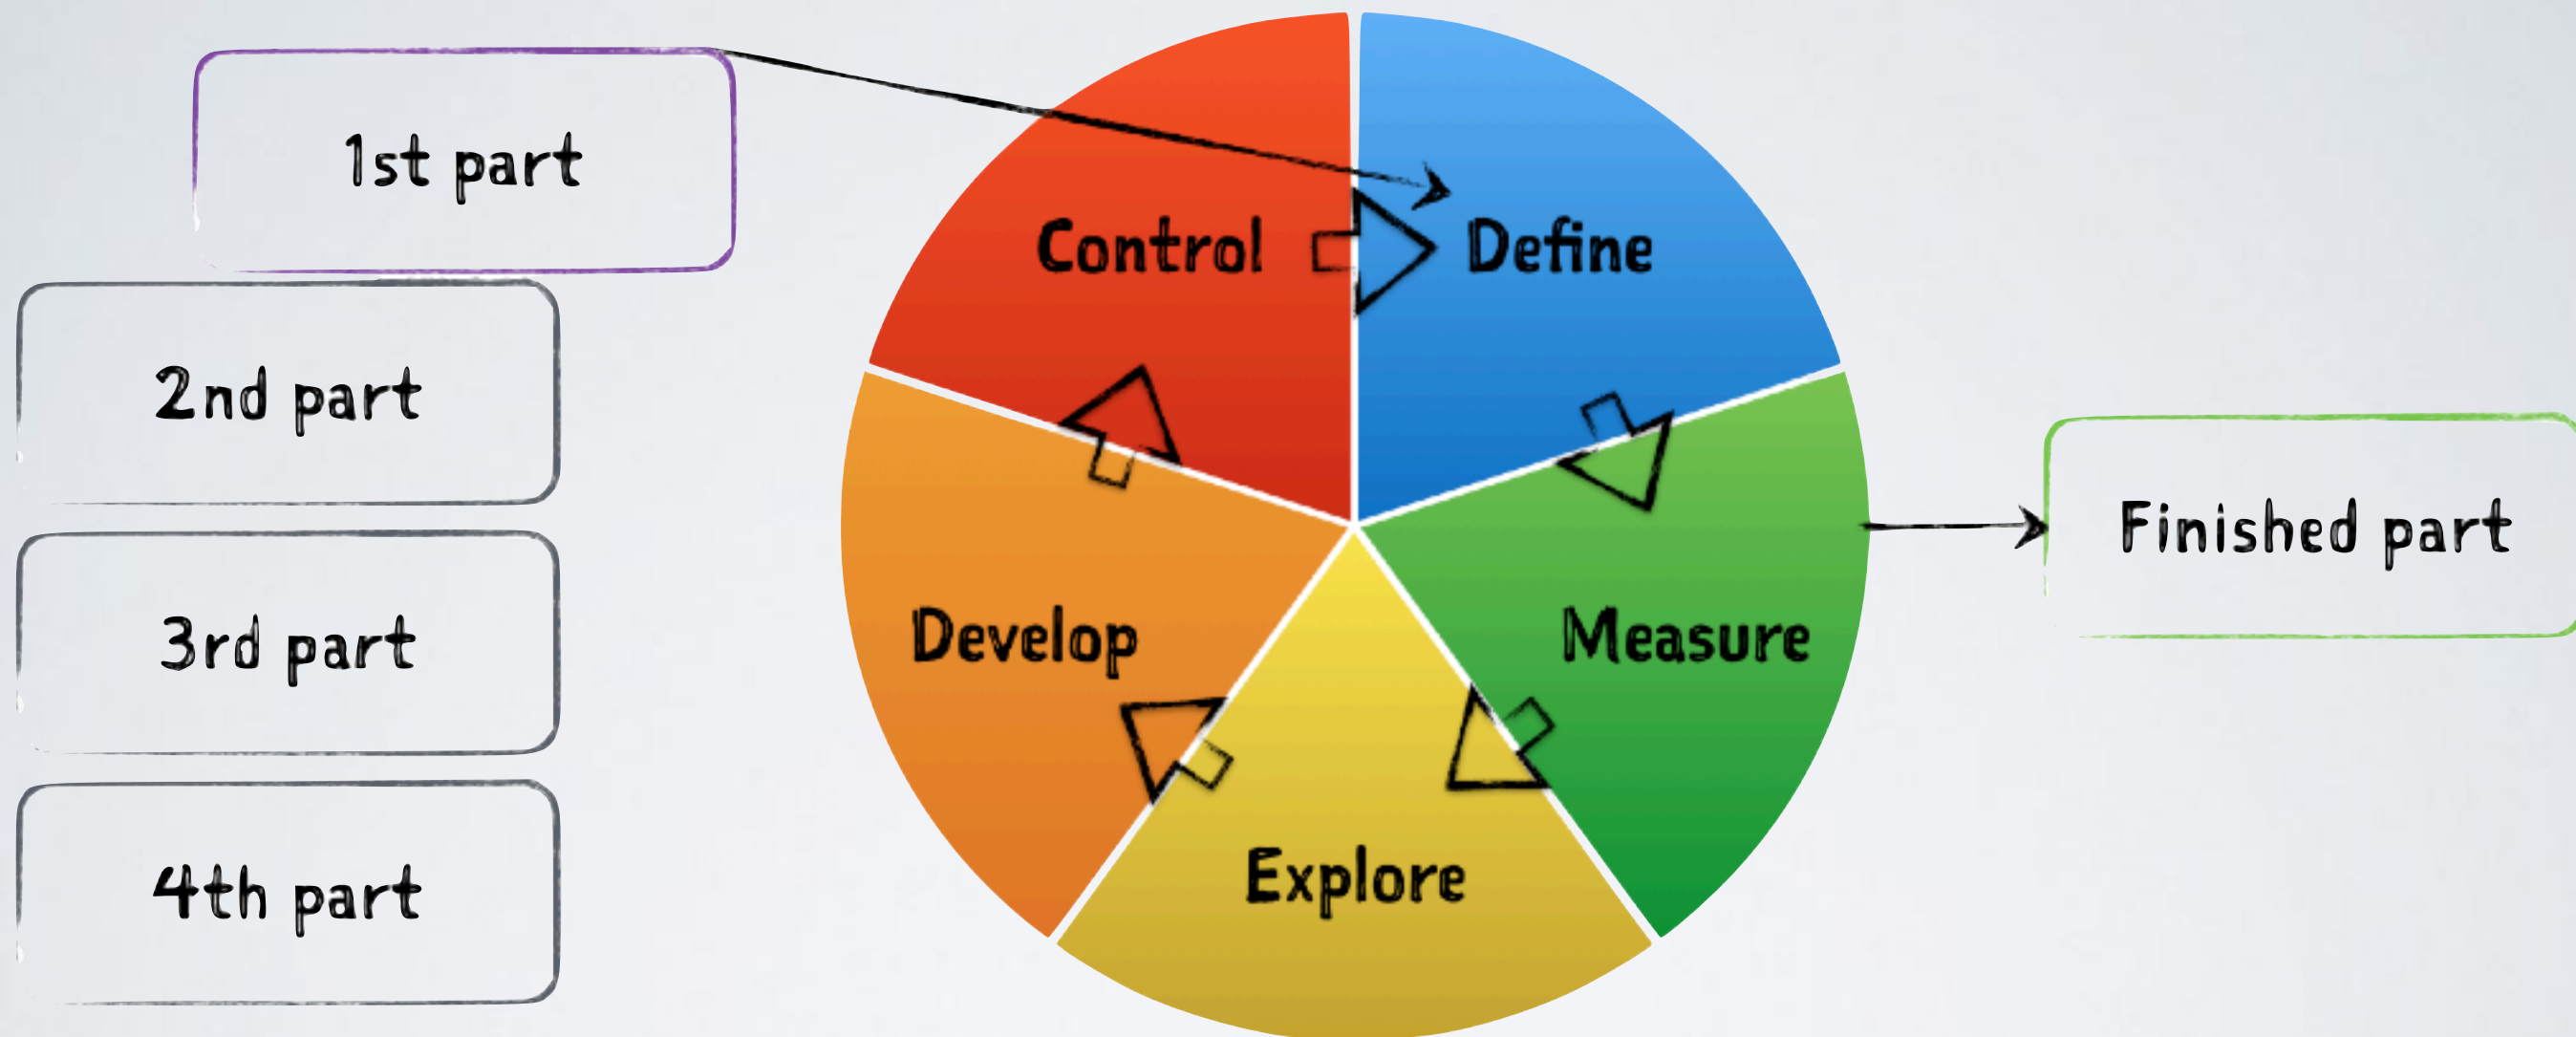

Done

New Part

Everything's been done to this part- it's
ready to begin its new life

- Not much administration
- People can hold up on completion

SIX SIGMA

- Long term

- Customers approval is paramount
